

ANGELS OF DEATH OPERATIVES

Genetically modified transhuman warriors, Space Marines are amongst Humanity's most elite fighting forces. Angels of Death kill teams are composed of elite specialists trained in myriad forms of combat, who are capable of overcoming almost any foe.

2

SPACE MARINE CAPTAIN

To reach the rank of Captain, a Space Marine must master war. They are equally adept at conducting planet-spanning military campaigns as they are at dispatching foes in expertly fought duels.

ASSAULT INTERCESSOR SERGEANT

These mission leaders understand the optimal moment to unleash charges. They are exemplars in the press of melee, rending foes in twain with their deadly close combat weapons.

INTERCESSOR SERGEANT

Intercessor Sergeants lead their teams in levelling salvos of firepower against targets in ever-changing killzones. They often carry specialist weaponry into the fray to support their battle-brothers.

ASSAULT INTERCESSOR WARRIOR

Protected by Mk X Tacticus armour, Assault Intercessor Warriors charge into battle swinging large chainswords and firing mass-reactive shells from their pistols.

ASSAULT INTERCESSOR GRENADIER

Equipped with an array of deadly grenades, these specialists provide close-range support when facing swarms of lesser foes or heavily armoured targets.

INTERCESSOR WARRIOR

Intercessor Warriors lay down punishing volleys of fire from their bolt rifles. Their tactics and wargear are adaptable to countless situations, making them a core asset for any Intercession Squad.

INTERCESSOR GUNNER

These specialists provide long-range supporting fire from their rifle's underslung auxiliary grenade launcher. They are capable of delivering explosive charges that inflict maximum devastation on the most densely defended or shielded positions.

ELIMINATOR SNIPER

Eliminators wield specialised sniper rifles with ammunition for every enemy. These range from heavy-cored Mortis rounds that make a mockery of armour, to explosive fragmentation shells that devastate clustered targets.

HEAVY INTERCESSOR GUNNER

Heavy Intercessors are akin to walking gun emplacements. Their heavy bolters allow them to shatter enemies with punishing fusillades of explosive fire, either sweeping over massed troops or in focused volleys.
